## Expert Resources At Your Fingertips

United Concordia's new blog, **Benefits Bridge**, offers valuable content to help employers manage and understand benefits, and sharable resources to help employees stay healthy and productive.

Created with employers in mind, Benefits Bridge offers high-quality, bite-size articles to help support employers with the following topics:

- **Managing Wellness:** help employees make the most of their coverage with sharable information on benefits utilization and wellness.
- **Navigating Benefits:** straight talk on benefits administration for busy employers and HR professionals.
- **Running Your Business:** expert tips for work-life balance, talent acquisition and retention, and more.

Each original article is written by established industry experts including business owners, wellness coaches, and benefits administration professionals. Fresh content is always being added, so there's always something new to discover.
