Help Yourself and the Environment...  

Go paperless!

How? Choose to have your dental Explanation of Benefits statements (EOBs) delivered electronically and stop receiving paper statements.¹

Why? With paperless EOBs you will:

Help yourself:
- **Convenience**—you’ll receive an email notification when your EOB is ready—then you can view it at your leisure through My Dental Benefits at www.unitedconcordia.com.
- **Security**—your EOBs can only be accessed by logging on to our website with your user ID and password.
- **More Time**—instead of wasting time searching through piles of paperwork, your EOBs are available online 24 hours a day/seven days a week. And, if you’d like, simply save a copy of the EOB onto your home computer.

Help the environment:
If all eligible United Concordia Dental EOBs were delivered electronically each year, the environmental impact would equate to saving 162 tons of wood or 1,121 trees, conserving enough energy to power 20 homes for a year and reducing wastewater by 890,764 gallons.²
