PRODUCTS

A full range of plan designs with a variety of funding and contributions options including:

Traditional Plans:

- Active and Passive PPO for groups of all sizes
- DHMO plans in select areas

Low Cost Plans:

- **Smile for Health-Value Plans**—four low cost plans that include vision discounts for one affordable price

Innovative Plans:

- **Healthy Stages**—a dental plan that grows with members and their oral needs. This innovative plan covers preventive and commonly used services, as well as providing deep discounts for non-covered services when using an in-network provider.
- **UCElect**—a competitive dual choice product which allows employers to pass on to members the freedom to choose the best plan option that fits their oral care needs, all at the same price.
- **Smile for Health®-Wellness**—an innovative program that ties gum-disease treatment to improved overall health and reduced medical costs for members who are pregnant or have certain chronic medical conditions
- **Concordia EPO**—Only available in AZ, CA, and NJ. In network only benefits to allow employers to reach a lower price point than that of traditional products.
- **Triple Access POS**—Only available in CA. Three tiered network product featuring an EPO network, PPO network, and out of network benefits to provide members with a combination of both network access and affordability.

UCVisionSM Plans in Select Areas

Pediatric Smart Savings Riders—Provides a group that embeds pediatric dental benefits in their medical plan the ability to receive a discount on their standalone dental premium by removing duplicate coverage for most preventive (cleanings, exams, etc.) services for members under the age of 19

- **Pediatric Smart Savings**—removes exams/cleanings only for members under age 19
- **Pediatric Smart Savings Plus**—removes exams, cleanings, x-rays, fluoride treatments and sealants for members under age 19

CORPORATE SOCIAL RESPONSIBILITY

- Awarded \$17,750 in dental scholarships provided to 11 students at 5 different colleges and universities
- Through our dental outreach sponsorships in 2016, over 16,500 people were provided with free dental care services valued at over \$13.4 million¹
