United Concordia's large, nationwide dentist network, combined with our knowledge of local markets, means you can find affordable, quality care with great service no matter where you live.

What Is a Network Dentist?

Network dentists agree to accept United Concordia's discounted fees as payment in full for covered services. Non-network dentists can charge you more. This means you'll lower your out-of-pocket expense using a network dentist.

You can still receive care from any licensed dentist. But your benefits may differ and your out-of-pocket costs could be higher with a non-network dentist. Using a network dentist maximizes your dental benefits because they:

Save money—A network dentist saves you the difference between our negotiated fees and the dentist's regular charges. And, you stretch your benefit dollars by getting more services before reaching your annual maximum.
