

Discount Pricing on Sterilizer Monitoring

United Concordia has partnered with Steri Check Systems* to offer sterilizer monitoring (spore testing) at a discounted rate. As a value-added benefit available to United Concordia dentists nationwide, the Steri Check monitoring service:

- ✓ Can be used to monitor steam, chemical vapor, dry heat and ethylene oxide gas sterilizers
- ✓ Includes laboratory culturing service and free shipping
- ✓ Provides a certificate of compliance, sterilizer monitoring log and full documentation

Both the ADA and CDC recommend periodic use of biological indicators (spore tests) to verify the proper functioning of sterilization cycles. Register to use Steri Check today for the safety of your patients and to comply with proper infection control protocol.

MONITORING FREQUENCY	REGULAR RATE	DISCOUNT RATE
