

Take control over
your dental benefits
with eBill

Pay Dental Premiums With Just a Click

Dental benefits administration should be hassle-free.

That's why we created **eBill** for group administrators—the convenient online tool that uses secure, user-friendly technology to make managing premiums quick and easy.

With eBill, you enjoy:

- **24/7 access to billing information.** Enjoy the flexibility of managing your dental benefits whenever, wherever you want. Just log on to review detailed invoices and subscriber billing reports, plus invoice and payment history.
- **Quick and easy payment options.** Set up automatic recurring payments, or pay a bill anytime using electronic transactions.
- **Peace of mind.** Set up automatic emails to notify you when invoices are available, and never worry about checking balances or missing a payment.
- **Less clutter.** No more paper files—just download your invoice summary, invoice history and subscriber roster in PDF or Excel format.
- **Streamlined administration.** If you participate in other plans with our parent company, you can access dental invoices along with medical and/or vision in one convenient location. View and pay invoices individually or in one easy payment.

eBill: it's just another way we combine online tools and personal service to give you more control over your dental benefits than ever before. Get started today! Visit [UnitedConcordia.com/signup](https://www.UnitedConcordia.com/signup) to register.
